

Resume of Abdoolah Shamsi

PhD candidate in hydrogeology

Educations:

- Bsc, Geology, Shahrood University, Faculty of Earth Sciences University
- Msc, Hydrogeology, Shahrood University, Faculty of Earth Sciences University

MSc thesis :Assessment of suitable area for extracting karst water at the west of Islamabad, Kermanshah(2011)

- PhD candidat in Shahrood University, Faculty of Earth Sciences University

Publications

A. Shamsi, Gh karami, A Tahri, F Mohsenior (2010) Hydrogeology of Kerend-Gharb plain

7th national confrance of engenering and environmental of Iran. Iran Shahrood

A. Shamsi, Gh karami, A Tahri, K Tahri (2010) Hydrostratigraphy of Kerend Gharb plain. 7th national confrance of engenering and environmental of Iran. Iran Shahrood

A Shamsi, Gh A Kazemi (2014) A review of research dealing with isotope hydrology in Iran and the first Iranian meteoric water line. In Geopersia

PhD proposal

Evaluating annual recharge in karstic formations of Central Alborz

Teaching Experience:

Graduate:

Application of remote sensing in structural geology

Undergraduate:

GIS application in geology, Fundamental of remote sensing
