

Curriculum Vitae

Personal Information

Surname: Rafiee
Name: Morteza

Gender: Male
Date of Birth: April, 09, 1980
Place of Birth: Abadan, Iran
Nationality: Iranian
Marital Status: Married

Personal email: m.rafaee@shahroodut.ac.ir and m.rafaee178@gmail.com

Tel: 023-32392204 internal: 2479

Postal Address:

Department of Physics, Shahrood University of Technology, 3619995161 Shahrood,
Iran

Academic Qualifications

- Associate professor in physics, Department of physics, Shahrood University of Technology, since 2013.
- PhD in condensed matter and Quantum Information Physics. Yazd University, Yazd, Iran, December 2008- October 2012.
Thesis type: Quantum Information
Dissertation Title: "Quantum Information processing via spin chains "
Supervisor: Dr. Hossein Mokhtari, Department of Physics, Yazd University, Yazd, Iran.
- Visiting research at university of Camerino, Italy, collaborating with Prof. S. Mancini and Dr. C. Lupo from September 2011 to March 2012.
- MSc in Condensed matter Physics. Isfahan University, Isfahan, Iran, September 2005- October 2007.
Thesis type: Computational Condensed Matter
Dissertation Title: "Ab initio calculations to investigate electronic and structural properties of Pb/Si(111) interfaces".
Supervisor: Dr. Saeid Jalali Asadababdi, Department of Physics, Isfahan University.
- BSc in Mechanical engineering, Isfahan University of Technology, Isfahan, IRAN, 1998- 2003.
Dissertation Title: "Investigation of vibration properties in bagasse machine".
Supervisor: Dr. Mehdi Keshmiri, Department of Mechanical engineering, Isfahan University of Technology
