MoU of Cooperation

between

Shahrood University of Technology, Shahrood, I.R. of Iran

and

**International Institute for Geo-Information Science and Earth Observation (ITC),
Enschede, The Netherlands**

Recognizing the importance of academic, research and technological cooperation between Universities and research centers for active engagement of academic members and researches in the domain of science and technology and in order to expand the academic relationships, the Shahrood University of Technology I.R. of Iran and the International Institute for Geo-Information Science and Earth Observation (ITC) have agreed as follows:

- 1- To facilitate the exchange of academic members, researchers and experts conducting research, teaching or exchange of ideas;
- 2- To provide opportunities for professors and researchers to participate in conference symposia and international meetings of both universities;
- 3- To provide necessary facilities to exchange professors to spend their sabbatical leaves in each other's universities;
- 4- To collaborate in holding joint scientific, research and technological exhibitions and conducting joint research projects;
- 5- To exchange PhD students in the areas of mutual interest consistent with regulations of both countries;
- 6- To exchange information, academic publications, scientific and research documents, students' thesis, microfilms and computer software in the educational research and technological areas as far as is permitted under copyright and legislation;
- 7- To facilitate the visit of academic members, researchers, students of both universities;
- 8- To provide the facilities for participation of students in sport competitions;
